Dear Dr. Bierstock:

A handwritten signature in cursive script that reads "Sam".

Thank you again for providing us with copies of your tape. I hope the other Members of Congress enjoy it as much as I did!

It was good talking to you this week and I am hopeful that we will have an opportunity to work together on these issues in the future. I forwarded a copy of your tape to the coalition pushing the Patient Access to Responsible Care Act (PARCA).

Thank you again for your help. I look forward to working with you on these issues in the years to come.

Sincerely,

A handwritten signature in cursive script that reads "Greg".

Dear Sam,

Thanks for the tapes! Excellent...
as usual! I also appreciate your

keep plugging away.

Thanks, again!
